WORK EXPERIENCE

AI Creative Learning Consultant

Learning Experience Design Tech Hub, Arizona State University

**Present 2025
Tempe, AZ**

- Will drive the development of AI-powered learning innovations at ASU's Creativity Commons, shaping the future of education across the university.
- Will lead collaborations with the Enterprise Technology Learning Experience Design team to scale generative AI solutions for students, faculty, and staff.
- Will pioneer responsible and inclusive AI applications, positioning ASU at the forefront of creativity, accessibility, and digital transformation in higher education.

Tech Consultant Intern

Capgemini

**June - July, 2025
Atlanta & Virginia Offices**

- Design and implement Agentic AI solutions that boost workflow efficiency by 30% across client data operations.
- Collaborate on enterprise-scale AI and cloud transformation projects, contributing to data-driven strategies with 40% higher decision accuracy.
- Support agile teams in building autonomous agents and integrating LLMs into analytics platforms for enhanced client insights.

Writing Coach

Arizona State University

**July, 2023- April, 2025
Tempe, AZ**

- Demonstrate exceptional tutoring skills by assisting more than 900 students in improving writing skills and grades.
- Spearhead discussions and play a pivotal role in the AI writing tools workshop, organize bi-weekly seminars on advanced writing techniques, research methodologies, and citation standards, engaging with faculty and professional staff members to foster a culture of excellence and continuous learning.
- Tailor writing strategies and techniques to address individual student needs, and received positive feedback from students, peers, and faculty for ability to explain complex concepts.

Cloud Infrastructure Intern

Verizon

**April - May, 2024
Santa Barbara, CA**

- Engineered and optimized a VPN product, ensuring redundancy, resiliency, and least-privilege principles with advanced Python.
- Executed rigorous cloud-native infrastructure testing, focusing on robust security and performance.
- Delivered in-depth presentations on cloud security strategies, enhancing team expertise and collaboration.

Marketing Designer Intern

DineLocal

**May - June, 2024
Remote, USA**

- Collaborate with restaurant owners to design and create marketing assets tailored to their needs and preferences.
- Develop engaging visual content for the DineLocal app, enhancing brand visibility and customer engagement.
- Address and resolve restaurant owners' concerns, ensuring timely and professional communication.
- Ensure consistent branding and messaging across all marketing channels through team collaboration.
